Dear Parent/Guardian,

We hope your child will have a very happy and educationally productive year. We trust that together we can work for the mutual benefit of your child. Please feel free to make an appointment with us should your child experience any problems.

To enable your child to get the maximum enjoyment and benefit from the year we would appreciate it if you could ensure that your child has the following items. Please label each item individually with your child's name. If any items are lost or used up before the term ends, the items must be replaced as soon as possible. Please make sure that all books are covered.
