Dear Parent/Guardian/Learner

RE: RETURN TO SCHOOL PLAN

We at Seatides Combined School trust that both you and your families are well during these challenging days. Despite this not being the best of times, we wish you all a safe and blessed year.

Schooling and the education sector has been adversely affected by the current epidemic, worldwide, and we will continue to see its effect for months, if not years, to come. Again, we will take a cautious approach to the return to school for the new academic year, 2021.

The return to school policy is as follows:

Learners will return on a staggered basis according to the following schedule.
